

# Base Show Folders

# Managing Multiple Show Folders

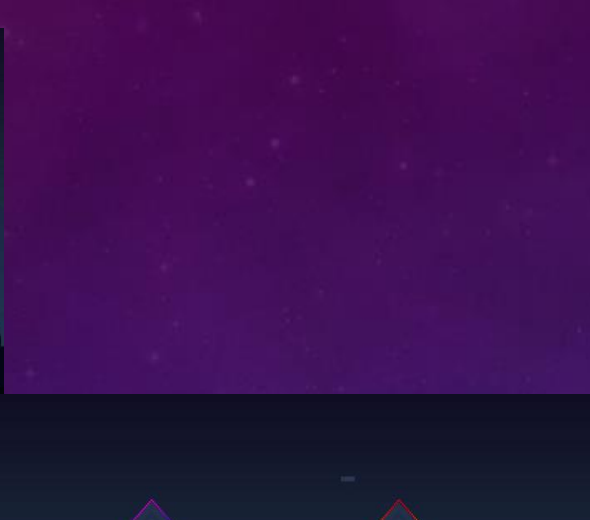

- Christmas
- Halloween
- New Years
- Australia Day
- Easter

# Shared Props

- House Outlines
- Window Frames
- Landscape lighting

# What if?

- You could link all your show folders together
- Updates to shared props will propagate between shows

**AusChristmasLighting**  
australian christmas lighting and computer animation

2024 Melbourne Mini

# In this session

- How to set up
- Things to be aware of
- Making Changes

# Setting up – First steps
